

ANNUAL REPORT

Change
is life

..... 2020

TO BE A PART OF A MOVEMENT OF GOD AMONG THE YOUTH
OF SLOVAKIA THAT FINDS ITS HOME IN THE LOCAL CHURCH
AND TRANSFORMS SOCIETY.

“Very truly I tell you, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds.” Jesus (John 12.24, NIV)

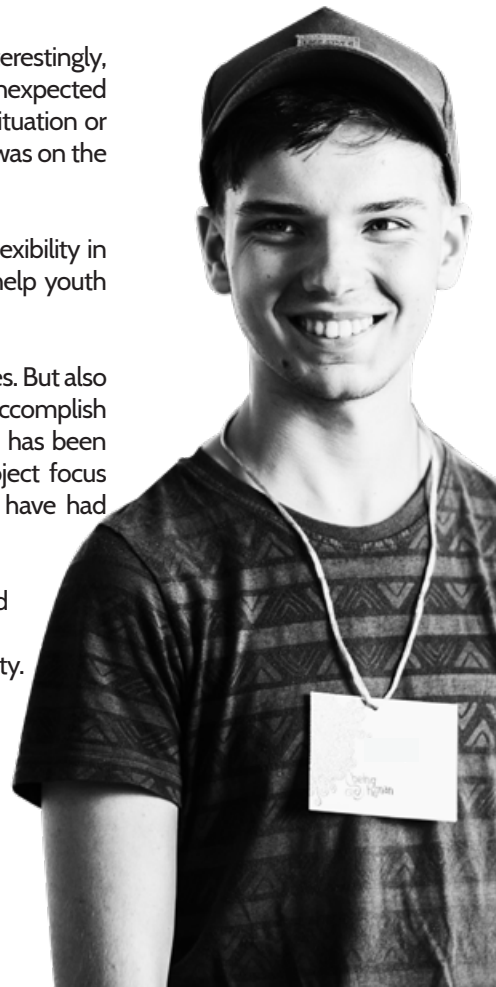

When I was growing up, I often heard a saying: “Change is life”! Interestingly, it was usually connected to some unpleasant situation, a loss or unexpected change. This saying was used in a manner to lighten up a tough situation or ease a heavy burden. It meant that the old was gone and the new was on the horizon.

This year the pandemic has offered us space for innovation and flexibility in our mission to share the gospel with this young generation and help youth leaders to do the same.

It has been a difficult year full of surprises, changes, and uncertainties. But also a year of conviction that the Lord is using these strange times to accomplish His good intentions. Over the last two years, our leadership team has been discussing the need to change our methodology from a big project focus to a simple focus of discipleship and one-on-one ministry. We have had unexpectedly favorable conditions to practice this year.

In this short report, you can learn how God taught us to drop the old and be open to the new, and how He led us in His mission during quarantine. Thank you for standing with us in this mission for eternity. We have a hope that our labor will produce much fruit from the perspective of heaven.
